Dyspepsia Cure

Digests what you eat. We would like to call your attention

to the following letter:
Dear Sirs:—I have been suffering from dyspepsia for 21 years. When-ever I would take a strong diet I would bloat up in the stomach. I would suffer great pairs in the head and stom-ach and would be obliged to take to my bed and remain sometimes for a day and night. Nothing I took did me any good until last winter, when some one advised my husband to get for me a bottle of KODOL DYSPEPSIA CURE, which he did. I used several bottles of it and I am happy to say I can eat any kind of strong diet I please. I can sleep well at night and I feel like another person altogether. I cannot give Kodol Dyspepsia Cure too much praise, and I will highly recommend it to all sufferers of dyspepsia.—Mrs. Peter Kliue, Hopewell, Pa.

It can't help but do you good

There is a very simple reason why Kodol Dyspepsia Cure invariably cures the worst cases of indigestion even after everything else fails, and that is because it is the only preparation known that contains all the digestants are completely digests what you eat. and completely digests what you eat.
